District Governor's Report

Dear MD 13-C Lions,

It's that time again when our Lions are busy helping others for the Thanksgiving Holiday and however you provide assistance to those in need, you and your fellow members are to be congratulated for your ongoing service to others.

Whenever I visit our district's clubs, I am reminded of the many service projects that we should be grateful for during this time of year. I have heard of many incredible stories from our Lions who help our communities throughout the year and not only during the upcoming holidays. Thank you for proving what our Lions do and do year-round through service.

The notice for our upcoming Cabinet Meeting was sent out weeks ago and again, I invite you to be with us on Sunday, November 21st at the Silver Lake Country Club at 1:00 PM -the meal is just \$15.00. I've asked our Youth Chairpersons to provide you with literature and a brief talk of their programs; Lion Ray Dellmore will be giving you an update on the Pre-School Prevent Blindness Program; and you will learn what the initials of CEEP represents. It's not a long meeting but one each club should be a part of

to meet others, share experiences, and enjoy the scenery of the beautiful landscaped golf course! Cross your fingers for NO SN__!!

The City of Parma is being considered as a location for a new club (Parma did have a club some year ago). I and your two Vice-District Governors will be meeting with Mayor DePiero on November 17th to present the Lions program and ask for his assistance along with some of his cabinet. Because Parma is very active with ongoing blood drives through the Red Cross, it was highly recommended that our district proceed with this extension possibility. If you know of any residents who live in Parma and who would like to be a part of a new club, please contact me ASAP. We will provide a follow-up report at the cabinet meeting.

Reminders: *Consider a Melvin Jones Award – contact PDG Tommy Thompson for more details – this is the most prestigious award a Lion can receive.*

Toys for Tots – bring your donations to the cabinet meeting and other zone meetings to provide our deserving children a happy holiday season.

Our district convention (April 29, 30 and May 1, 2011) will begin with our annual recognition program on Friday night. Formerly known as the "Heroes Dinner", we have changed the theme to "Our

Shining Stars in Service – recognizing those club members who have gone the “extra mile”, provided help throughout the year, and exceeded expectations of a club member. More information will follow, but please begin thinking of the “shining stars” within your club.

Lion Ada Aherns, Convention Chairperson, will need to know if your club plans to have a hospitality room on Saturday night (April 30th). More details will follow regarding the convention, but please let her know soon so that she can provide you with more specifics after the first of the New Year.

Lion Rich and I send Blessings to you and your family during the Thanksgiving Holiday. Consider asking someone to your home who may not have a place to go for the holiday – it’s just another Lion thing to do in Service!

Stay happy and healthy until we meet again,

District Governor Lion Marty and Lion Rich Dennis

First Vice District Governor’s Report

Winter is coming, and all of our clubs are active in fundraising and community service activities. I have heard that there are poinsettias for sale, gift wrapping is going to be offered in the Parmatown Mall and Santa is going to call children and ask them what they want to find under the tree this

year. We also will be hearing that Christmas trees are going to be sold and baskets of food will be offered to those in need. The Lions serve and serve, and as others are made aware of these activities we can hope to recruit new members. Our membership is declining each month, and we are in serious need of more members. Every Lion needs to go out and ask others to join. At this time of year, when we are so visibly active, it’s a good time to ask your friends and colleagues to assist with a fundraiser. This will get others involved so that they can catch the inspiration and sense of accomplishment in helping others.

Last weekend I attended the Club Excellence Program offered by the Ohio Lions in conjunction with LCI. The speaker was from Canada, but the stories she told about her Club and Zone and District were familiar. She noted that we need to make newcomers feel welcome and offer opportunities for others to participate. Sometimes it just seems easier to do what we are comfortable with, and so we end up doing the same things, the same way, without asking anyone else to get involved in our activities. But in the long run, we need new members who can bring new ideas and who can share in the service that the Lions provide to our communities.

Soon we will be offering the Club Excellence Program through our District. The details are still being worked out, but I encourage you to attend to learn

more about what you can do to improve your Club and help membership grow. Once upon a time, this District had a strong membership base and could provide even more service than we do now. We need new members to help us get back on track, so please plan to participate in the Club Excellence Program.

Second Vice District Governor’s Report

Fellow Lions of District 13-C,

I have been visiting clubs and introducing myself. As it turns out, I cannot figure out how I got elected...you see I cannot find many Lions who voted for me! Oh well...it’s my job now. For all the clubs that do fundraisers and wonder... “Who should we donate our hard earned monies to?”...wonder no more. Here is a great idea where your funds can make a big difference supporting a local handicapped group of people. Our very own Cleveland Scrappers! I’m sure all of you have heard of blind bowling or blind golf. Both sports are hard enough when one can see, but just try to bowl or golf with your eyes closed. In both these sports a “spotter” is used to point the visually impaired player in the right direction and give advice when needed. Still, hard enough to do. Now add these factors. Running 100 feet in a straight line; fielding a hard hit batted

ball by sound only; and swinging a bat at a pitched ball without the ability to see. Now that's incredible!

The game is simple. It is six innings (about two hours) long. The bases are 100 feet from home plate at first and third. The batter must reach a base (chosen at random) before a fielder finds the ball, picks it up and has control of it to score a run. The batter gets four strikes (they must swing at all pitches) and unlimited foul balls. Each team gets three out per inning. If you think it is easy, just try to run twenty feet or so blindfolded in a straight line!

The "World Series of Beep Baseball" was held in Strongsville. Teams from all over the country and Taiwan participated. Each team played three games on Wednesday and Thursday, two games on Friday, and the finals were on Saturday. These games were played in 90 degree plus heat on fields that had not seen rain in almost a month. Yet not one player complained.

Every player that I met (about 40) was in great shape. They have their own workout system to keep in shape for this event. All the athletes seemed genuinely grateful for the help we supplied, whether it was escorting them to or from the airport, umpiring games, dog sitting, field set up and clean up or just sitting and chatting. They liked the company. In chatting with these fellows and gals, I found that not one of them

believe that they are handicapped. It was awe inspiring to see the level of intense competition they exhibited throughout the week. They all played hard and long for a chance to be called "World Champs". In my eyes...they all are!

It was a wonderful experience and I would like to see more Lion involvement next time. Maybe you could go see our own Cleveland Scrappers team play a game. Maybe you will be inspired too!

MEMBERSHIP MOMENTS

As we near the half way mark for our Lion year, we need to stay focused on our commitment to growth and retention. Now is the time to review the goals set in July and make sure the plan is still appropriate to reach those goals. Review and Redo if necessary. Remember, Pride and Praise are key to retention: model Pride for the new members and Praise the loyal ones. This is the month for THANKING; thank your chairpersons, the workers, the organizers, the movers, the thinkers. Everyone gives

something to make your club a success. Lion Wallie PS File the Membership Reports.

It is the policy of GALEP to pay for eye exams for children which cost \$30. Adults are referred to Summa for eye exams or if the applicant prefers, they may go to Dr. Thomas Adams of Osman Optical and have their eye examination at a cost of \$50.

No surgery financial assistance is being provided at the present time, but may be considered in the future after discussions with Summa and also after the health care reforms now being considered the US Congress are concluded.

2010 Reverse Raffle

The 2010 Reverse Raffle was a success thanks to Lions Roy Morrow and Pam Abrams who organized the event, and a BIG Thank You to all of the Lions who helped to man the boards and assist in the Chinese Auction. It was good to have Lion Bob Schroeter back as our MC.

It was with sadness that one of the program founders, PDG Robert Lowe and his lovely wife Lois were not able to be with us and we need keep him in our thoughts and prayers.

Sister Judith Karim, CEO of the Sisters of Charity of St Augustine Health Care Systems and also CEO of St Vincent Charity Medical Center gave the invocation.

Sisters Mary Ann Moser, Allen, and Martha also were in attendance as was Marie Sgobbo, the Manager of the Outpatient Services at St Vincent.

The meal was far superior to last year's event thanks to Tavcar Catering.

Happy Prize Winner, PDG Lion

Correction to District Directory

The Program Delegate Meetings are held the *Third*, not the Fourth Monday of January, March, May, July, September and November.

Eyeglass Co-Pay Beginning January 1, 2011

The Board of Directors at the September board meeting proposed requiring a \$10 non refundable deposit by all recipients for prescription eyeglasses. This proposal was submitted and approved by the club delegates at the September delegate meeting.

It is expected that the Copay will give the recipients a sense of ownership and ultimately a sense of responsibility in the protection and care of the prescription eyeglasses.

Next Board and Delegate Meetings

Board meeting January 12, 2011 at 11:30 AM in the St Vincent DePaul Room. Directors may go to the cafeteria for lunch.

Delegate Meeting November 15 at 6:30 PM in the St. Vincent DePaul Room. Meal will be provided for \$12.

Clinic Officers

PDG Grant Frazier is presently calling District Lions who might be interested in being on the Board of Directors, as well as holding Leadership offices. We will be voting on a new slate of officers at the March 9, 2011 Board Meeting.

Tallmadge

The City of Tallmadge honored Lion Roy Morrow on Thursday, October 14th 2010 before the start of the City Council Meeting.

Lion Roy Morrow receives congratulations from Mayor Dave Kline for his Lifetime Achievement Award.

Lion Roy was awarded a Lifetime Achievement Award for his service to the community. We Lions know all of the work he does every week maintaining Lions Hall and opening it up for the renters, but he has done far more than that over the years. Among the accomplishments cited in the award were over 40 years of work at the First Congregational Church where he is currently serving as Vice Chair of the Board of Trustees, over 20 years of working as, and training umpires for the Tallmadge Little League, working with the Junior Achievement Program and introducing project PANDA (Prevent And Neutralize Drugs and Alcohol Abuse) in the Tallmadge Schools. He also has served and is serving as

an officer in Lions, and has received numerous awards for his work in Lions.

Lion Roy stated “*I have been very blessed with a great family and a great community to live in.*” We agree, and point out that Roy helped shape both his family and his community with the example he set for all of us with his dedication to service.
