

Thank you

An important part of our extension of service this year is caring for our environment. On Saturday, Oct. 1, the Painesville Lions along with community volunteers planted 20 trees at Huntington Park in Painesville City, the former location of Huntington Elementary School. We thank all the volunteers who braved the cold, wind and rain to make the day a success. Special thanks go to Lee Homyock, director of the Department of Recreation and Public Lands, as well as Jim Fodor and Paul Hach, Painesville City councilmen. Please visit the Painesville Lions website <http://painesvillelions.info> to view photos of the project.

Ernie Richmann
President,
Painesville Lions Club
