LIONS CODE OF ETHICS

Individual members of Lions International are guided by a Code of Ethics which, with only minor changes, has stood the test of time since its adoption by The International Convention of 1918.

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's, to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in work, act, and deed. To give them freely of my time, labor, and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

LIONS INVOCATION

Lord, as we Lions gather here, we pause to offer up this prayer. Bless now this food that we partake and every effort that we make to build the towns in which we live and put it in our hearts to give to worthy causes. Bless the blind and all we do to serve mankind. Be with us until we meet again and bless our hands and homes. Amen.

LIONS PRAYER

Lord, hear these Lions when they pray. We thank you for bringing us safety through another day. As we gather to give our reports and to dine, may we all remember the pledge we took when becoming a Lion: to attend all meetings and work together, helping others to some degree to live better. As we also work to help those who live in strife, we thank you Dear God for granting us such a wonderful life. Lord, hear this our prayer, and may we continue to live and work in your care. Amen.

INTERNATIONAL LIONS PLEDGE

I pledge allegiance to my country and the cause of peace throughout the world.

I believe in the principles of Lionism as contained in the Lions Code of Ethics.

I am proud to be a Lion, dedicated to the service of others.
